Appendix

Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

As it pertains the first filing dated March 2021, I would like to amend the statement accordingly:

Section 11: I was indeed engaged in activities requiring registration on behalf of foreign principal, including the promotion of foreign country directly with US corporate entities, encouraging investment in foreign country and sharing information with the companies about incentives etc. available for such expansion projects.

Section 14: I received a monthly retainer in the amount of \$6,000 for my services by foreign principal as per agreed employment contract. Business France was my only client throughout the time of this statement.

As it pertain filing of October 2021, I would like to amend the statement accordingly:

Section 7: Please note that at the end of this period my responsibilities changed and I was responsible for creating partnerships and other activities that will no longer require FARA registration. Indeed my activities were principally focused on supporting French investment towards the United States, helping French corporate executives connect with US law firms, accountants and other service providers who could assist them with their expansion projects into the US and facilitate the hiring of US workers. We engaged in several US promotion events, attended Select USA and supported the work of French firms incorporating into the United States, including firms such as Forsee Power in Ohio or Metroscope in Virginia.

Section 11: I was indeed engaged in activities requiring registration on behalf of foreign principal, including the promotion of foreign country directly with US corporate entities, encouraging investment in foreign country and sharing information with the companies about incentives etc. available for such expansion projects.

Section 14: I received a monthly retainer in the amount of \$6,000 for my services by foreign principal as per agreed employment contract. Business France was my only client throughout the time of this statement.

Thank you for adjusting the record accordingly and for confirming the termination of this registration at your convenience.

Sincerely yours,

Daniel P. Dozier
