I did an interview with a Hungarian Jewish site—about Hungary, the United States and George Soros. Here’s the Magyar version (English to come)

neokohn.hu

David Reaboi: Magyarország és Izrael természetes szövetségesek - Ne...
Magára büszke zsidóként utal, támogatja Trumpot és szemben áll az
NGO-világgal és Sorossal Magyarország új amerikai lobbistája.

A very level-headed interview, thanks. Liberal Hungarians should take an example and re-think their views. Hungarian culture and Language does matter to those who understand it's unparalleled etymological value. The same with the Jews. Neo-liberal values are poor substitution
