David Reaboi, Late Republic Nonsense Promote

Hungarian leftist media thinks they're discrediting me by doing these profiles of me, full of photos, and describing me as a, "bodybuilding jazz fan." Is this supposed to be bad?

I don't think they know what to do with someone like you because you don't fit into boxes that they would find convenient. Too smart and multi-faceted.

Would be funny if google translate said you only listened to jazz performed by body builders.

Maybe they meant bodybuilder with jazz hands but it was lost in translation. That would be an insult.

Meet BLM/Antifa PAID "Actor" Jake Angeli. Yeah, Q did NOT send him! He has taken his acting profile down from [backstage.com](#) but I verified it on DuckDuckGo search before posting, confirming he deleted it. I believe he is a full on Luciferian. This guy MUST be arrested!!
