Hi Dan — I and my firm represent the govt of El Salvador under FARA (can send you info if needed) — wanted to make you aware of Salvadoran Foreign Minister Alexandra Hill's response to the termination of the asylum cooperative agreements.

Thank you, @SecBlinken. The Government of President @nayibbukele is working arduously to bring opportunities to reduce the causes of irregular immigration. We will keep working with the @POTUS and his administration to strengthen our relationship for the benefit of our people. twitter.com/secblinken/sta...

Am happy to connect you for an interview if you are interested.
