

Delegation of German Industry and Commerce in Washington, DC

This week we want to introduce you to the newest member of our team, Silke Roberts-Schumacher.
#MeetTheTeam!

🌟 Officially joining our DGIC family this year, Silke has been supporting us backstage with the organization of meetings and the implementation of events. Silke is partly responsible for keeping the office on track and making sure that everything is working behind the scenes. As our newly appointed Office Manager she manages all things related to human resources and is our link to the facility's management.

🌐 Originally from Hessen, Germany, Silke moved to the United States after completing her bachelors at the University of Applied Sciences in Darmstadt. There she obtained a degree in Multimedia Journalism and worked in Germany for a couple of years. A few years ago, Silke added a Social Media Management Certificate from the Georgetown School of Continuing Studies to her qualifications.

🏠🌸 Her support is invaluable and we are very lucky to have her on board!

Silke does not shy away from challenges, as best evidenced by her moving through the entire nation with three (!) children to take care of. She has already lived in four different states with her family, with Hawaii being the highlight.
