We are thrilled to welcome a group of German #railindustry companies, Federal Ministry for Economics and Climate Action, and Verband der Bahnindustrie in Deutschland (VDB) e.V. (German Railway Industry Association) to DC this week as part of the Market Development Program (Markterschließungsprogramm (MEP)).

The program will expose German companies to the rail industry in the US, introducing them to US rail companies and association representatives. The group will explore market opportunities for the rail industry beginning in New York and Pennsylvania before traveling to DC at the end of this week.
