

Delegation of German Industry and Commerce in Washington, DC

Today, we celebrate #InternationalWomensDay

Did you know #IWD was proposed by one of Germany's most influential figures, Clara Zetkin? Zetkin also helped women in Germany secure the right to vote, fought for equal pay and better working conditions. Over a century later, it continues to be celebrated around the world.

This year, the United Nations has named 2023's #IWD theme "DigitALL: Innovation and Technology for Gender Equality" aimed at UN #SDG5

Celebrate with us and explore more about this year's theme: <https://bit.ly/3T6InPd>
