? Did you know Germany's [#healthcare](#) market is ranked #1 in Europe? Between Germany's market volume, number of patients, medical technology manufacturers, and healthcare providers, healthcare represents a leading industry and another reason to [#InvestInGermany](#).

💡 Germany is propelling digital healthcare initiatives, fostering collaboration among tech companies, healthcare providers, and researchers.
What separates Germany's healthcare sector from others?

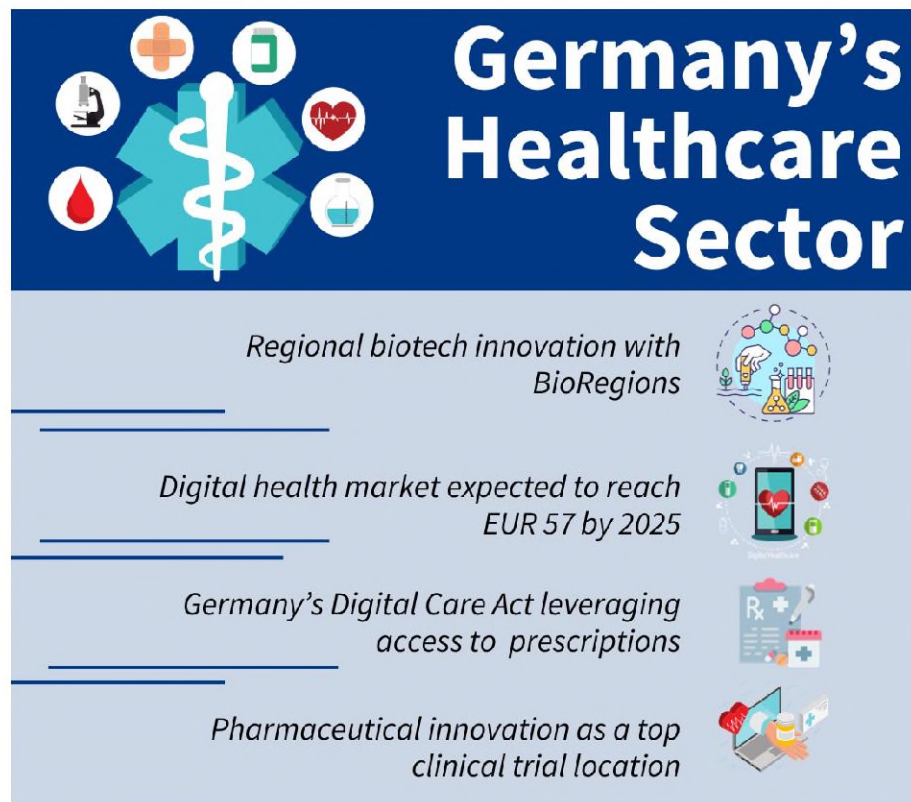

- Germany's BioRegions represent regional initiatives for the advancement of [#biotechnologies](#) and include over 770 companies that contribute to modern healthcare R&D
- By 2025, Germany's digital health market is expected to be worth EUR 57 billion
- Germany's Digital Care Act (DVG) leads more than 73 million insured Germans to access digital health applications on prescriptions
- Pharmaceutical innovation is thriving in Germany. Germany is one the leading clinical trial locations based on R&D investment and patient application levels

That's not all! Learn more from Germany Trade & Invest: <https://lnkd.in/enP7Jgns>
