

Delegation of German Industry and Commerce in Washington, DC

🌐💬🌐 Today we welcomed Mr. Michael Link, Coordinator of Transatlantic Cooperation at the German Federal Foreign Office, to Washington, DC to meet with German business representatives on the topic of #workforcedevelopment.

DE🇺🇸 As the world evolves, so do the needs of our workforce. Public and private sectors on both sides of the Atlantic are continuing to address key topics on workforce development, highlighting:

📄 transferable credentials across states

🎯 skills-based hiring

🔗 matching our education systems with workforce needs

🏛️ the Workforce Innovation & Opportunity Act (#wioa)

It is discussions like these that bridge today's workforce challenges with tomorrow's solutions.
