In our final [hashtag#InvestInGermany](#) post, we want to highlight the impressive U.S. [hashtag#FDI](#) in Germany at large.

With shared values in innovation, efficiency, and excellence, U.S. companies are flourishing across sectors in Germany.

The State Department named the U.S. as a “leading source of non-European FDI in Germany.” In 2020, total U.S. FDI in Germany reached \$162 billion with leading sectors from chemicals (\$8.7 billion), machinery (\$6.5 billion), finance (\$13.2 billion), and professional, scientific, and technical services (\$10.1 billion).

And investments have continued to grow steadily in Germany! Considered one of Europe’s most attractive markets, Germany continues to boast its stable legal environment, dependable infrastructure, highly skilled workforce, and state-of-the-art research and development. If you’re unsure where to begin, explore the many investment opportunities in Germany from our partners at GTAI:
