Big Easy, Big Picture.

When transatlantic trade gets more complex, leaders need clarity, context, and a direct line to what's changing now.

Keynote Spotlight: [Jens Hanefeld](#) | German Ambassador to the United States at the [Embassy of Germany in Washington, D.C.](#)

Ambassador Hanefeld will deliver our keynote on Transatlantic Trade and Current Developments at the German American Executive Summit 2026, bringing a unique perspective shaped by decades in diplomacy and policy leadership, including senior roles in the German Foreign Service and international trade policy experience in the private sector.

Expect a high-level view of what's driving the agenda right now and what it means for German-American business across the U.S.
