We were honored to support this year's German International School Washington D.C. WunderbarTogether Gala! It was an incredible evening celebrating the strength of the German-American partnership and the presentation of the Global Unity Award to gategroup.

Our very own Christoph Schemionek took the stage for the second year, sharing thoughtful remarks on the importance of transatlantic collaboration.

A special thank you to the German International School Washington D.C. and Timon Fleiter for the opportunity to be part of such a meaningful event.
