🌟 Welcome [Lennart Hesse](#) to the AHK USA Network 🌟

As of May 1, 2026, Lennart Hesse took on the role of Representative of the AHK USA Germany Office. The office is a joint initiative of the four German American Chambers of Commerce locations in Atlanta, Chicago, San Francisco, and Washington, D.C.

Lennart is already very familiar with our network. In his previous role within [DIHK's](#) International Markets division, he led the Latin America Initiative of German Business (LAI) and DIHK's involvement in the Transatlantic Business Initiative (TBI). We value the opportunity to continue this successful collaboration in his new role within the AHK network and warmly welcome him.

In addition to your established contacts within our U.S. offices, Lennart will now serve as the representative of the German American Chambers of Commerce in Germany.

Based at the House of German Business in Berlin, Lennart will support companies through continuous, timely, and personal collaboration. He will organize workshops, information sessions, and tailored formats, and can travel to different regions in Germany as needed to provide flexible, demand-driven support.

Lennart is available as a contact for questions related to market opportunities in the United States, current economic and regulatory developments, tariffs, and legal framework conditions. Together with our teams in the U.S., he will advise companies on market entry projects and support their path into the U.S. market.

Please join us in welcoming Lennart Hesse to his new role within the AHK USA network.
