Trusted partner, **Liebherr Group**, is hitting a major milestone in their ongoing commitment to strengthen distribution capabilities across the Americas with the construction of their newest logistics facility in Tupelo, Mississippi!

Spanning 12 acres and creating 180 new jobs, the continental warehouse will serve as a hub for a wide range of operations, including warehousing, distribution, pre-assembly, kitting, repackaging, and customs and export services for the Americas.

We look forward to the opening of this facility in Q4 2026! Learn more about the major project: <https://lnkd.in/ev7yxnUR>
