👋 We were thrilled to welcome more than 250 guests to our Oktoberfest celebration, bringing together members of the German-American business community, partners, and friends for an evening of networking, conversation, and, of course, a little Oktoberfest tradition.

Beyond the food, drinks, and festive atmosphere, the evening was a great opportunity to make new business connections, strengthen existing relationships, and exchange ideas with professionals from across industries.

Events like this are a great reminder of the strength of the transatlantic business community and the value of bringing people together in person. We were especially pleased to welcome both long-standing partners and new faces to the event.

A big thank you to everyone who joined us and to [J Street Group](#) for their support in making this event possible each year! We would also like to thank our premium partner [Lufthansa](#) and our business partners [Allianz](#), [Bayer](#), [Diconium](#), [Greater Richmond Partnership](#), [Schaeffler](#) -- we are grateful for your partnership and generous support in making the event a success.
