Delegation of German Industry and Commerce in Washington, DC

We're excited to welcome **Clark Construction Group** as the newest National Partner of the German American Chamber of Commerce (GACC).

American-owned and operated since 1906 and privately held, Clark is one of the largest building and infrastructure companies in the United States. The company's portfolio spans every major building market, with over 5,000 employees and offices strategically located across the country. With $9B+ in annual revenue, Clark supports clients with all aspects of transforming their ideas and visions.

Beyond delivering world-class infrastructure, Clark is dedicated to serving as a catalyst for good by fostering economic growth, workforce development, and urban resiliency. It develops the next generation of the industry's workforce through recruitment, pre-apprenticeship programs, mentoring, and on-the-job training. Clark is also committed to sustainability and community engagement, aiming to build healthy and resilient communities and cultivate deep and lasting relationships where it builds.
