Same case with some Western Embassies after Cambodia's 23 July sham election.

This material is distributed by Sochua Mu on behalf of the Cambodia National Rescue Party. Additional information is available at the Department of Justice in Washington DC.

Sam Goodman @SamGoodman22 · Aug 17

Embarrassing to see #EU officials & MS posing for photos & lunching with #HK #CE John Lee, a man #sanctioned for human rights violations. They should be spending their time monitoring political prisoner trials, rather than lunching with Mr Lee & offering #HKSAR a propaganda coup.
