Subject: SFRC Meeting Request - Liberian President Boakai

Liz - I hope you are well. Attached is a letter from the Liberian government requesting a meeting with Chairman Risch for Liberian President Boakai during the week of Sept 14-18. I am also sending a similar letter to Ranking Member Shaheen's staff with the understanding that if a meeting is possible with SFRC leadership it would be bipartisan.

Let me know if you need any additional information.

Thanks
Aaron
