Dear all:

We are pleased to report that Senator Agnes Kavindu's bill for the creation in the Kenyan Senate of an *ad hoc* committee has successfully progressed through committee, and is on the Tentative Business Calendar for **Tuesday, June 27, 2023**. See the attached Notice Paper. The work of the *ad hoc* committee is expected to commence on July 3, 2023, and the *ad hoc* committee will report to the House 90 days thereafter. The following senators will be members of the *ad hoc* committee:

1. Sen. Agnes Kavindu Muthama, MP (Machakos County);
2. Sen. Daniel Maanzo, MP (Makueni County);
3. Sen. Alexander Mundigi, MP (Embu County);
4. Sen. Beatrice Ogolla, MP (Homa Bay County);
5. Sen. Johnes Mwaruma, MP (Taita Taveta County);
6. Sen. Mohamed Said Chute, MP (Marsabit County);
7. Sen. Jackson Mandago, MP (Uasin Gishu County);
8. Sen. William Cheptumo, MP (Baringo County); and,
9. Sen. Peris Tobiko, MP (Kajiado County).

We expect and hope that Senator Kavindu will be the chair of the *ad hoc* committee.

We ask you to immediately take three actions that are critical to our prospects for success.

First, it is very important that you express to your senators and in particular to the members of the *ad hoc* committee your keen interest in and appreciation of the Senate's efforts on behalf of the bombing victims. It will also be very helpful if you can let Deputy Speaker of the Assembly Hon. Gladys Jepkosgei Boss and Deputy Speaker of the Senate Kathuri Murungi know of your appreciation for their support.

Second, please reserve on your calendar for **Saturday, July 8, 2023, at 18:30 EAT/11:30 EST** for our next webinar. Senator Kavindu will be our guest speaker at the webinar.

Third, please reserve on your calendar **Monday, August 7, 2023**, for your participation, in person, if possible, in the 25th Commemoration events in Nairobi. 589 webinar attendees have confirmed between February and June of this year their intent to participate in the August 7, 2023, events. In order for us to do planning, I am asking again if you can confirm your attendance to appear in Nairobi or advise me for the first time of your intention to appear in Nairobi. You can do so by completing the [linked questionnaire](#) before **July 8, 2023**.

ON THE COMPENSATION TO THE KENYAN VICTIMS OF THE 1998 BOMBING OF THE
UNITED STATES OF AMERICA EMBASSY IN NAIROBI** (Sen. Agnes Kavindu Muthama, MP)

THAT, AWARE THAT, disaster is defined as an overwhelming event and circumstance that tests the adaptation of responses of a community or individuals beyond their capability and leads momentarily to massive disruption of function for a community or individual that often exceeds their capacity to cope using existing resources;

FURTHER AWARE THAT, such was the case with the 1998 US Embassy Bomb disaster in Nairobi in which many of the Kenyan casualties resulted from the collapse of adjacent buildings located within a two to three block radius, and with reverberations being felt in most parts of Nairobi that resulted in 213 Kenyans and 12 Americans killed and over 5000 citizens of both countries being seriously injured;

NOTING THAT, US Allies, including Kenya, have endured the great burden of death, and long-term and in many instances permanent, physical and psychological injury;

FURTHER NOTING THAT, the United States Government has since compensated some of the victims and families of US citizens, leaving the families of Kenyan citizens and certain other victims uncompensated;

NOW, THEREFORE, the Senate resolves to establish an Ad Hoc committee to –

- (i) engage the Ministry of Foreign and Diaspora Affairs to advance friendship and co-operation between the United States of America and Kenya by supporting the eligibility of Kenyan and American victims and their personal representatives, surviving spouses and next of kin in the Victim Compensation Fund pursuant to the Justice for United States Victims of State Sponsored Terrorism Act;
- (ii) coordinate with the Ministry of Foreign and Diaspora Affairs in the engagement of victims, their personal representatives, the United States of America government and other stakeholders at home and abroad to pursue and accomplish the compensation of victims and families of the victims of Kenyan nationals; and,
- (iii) coordinate with the Ministry of Health to explore subsidized medical treatment for the surviving victims of the bomb blast.

and submit a report to the House within 90 days with effect from 3rd July, 2023;

AND FURTHER THAT, the following Senators be appointed to serve in the Ad Hoc committee –

1. Sen. Agnes Kavindu Muthama, MP;
