Dear all:

Today on the floor of the Kenyan Senate, Senator Agnes Kavindu engaged in further debate on the passage of her bill proposing, among other things, the creation of a Senate *ad hoc* committee to advance the interests of the bombing victims and, in particular, to support my proposed legislation in Washington. Debate is expected to resume Thursday. In the interim, it is crucial that you contact your senator and express your support for Senator Kavindu's bill. You can get your senators' contact information by calling the following number: (254-2) 2221291 or 2848000. I also want to remind you of the importance of your attendance at the **Saturday, July 8, 2023**, webinar. We will be making decisions based on attendance at that webinar.
