Re: Update Regarding 1998 Embassy Bombing Efforts

Through the efforts of our colleague Joseph Szlavik of Scribe Strategies and Advisors, **Joe and I met for an hour and a half on March 7, 2023 in Washington with Senator Chris Coons**, his Chief of Staff, and his political director. In the small gathering of our hosts, the Senator's staff, Joe, and I and four others, we were able to press in some detail our legislation on behalf of bombing victims.

The meeting, as well as other developments will be the subject of the Firm's 10th public webinar, which will take place on **March 12, 2024**. Thank you to those of you who have confirmed your attendance. You will receive webinar details directly by email. The attendance list is now closed.
