Event description

The Government of New South Wales in partnership with Climate Salad, is delighted to invite you to an evening of pitching and networking celebrating NSW's top climate tech startups. Join us in welcoming our delegation of 8 founders at Climate Week NYC as they showcase their technologies which address the world's most pressing environmental and sustainability challenges.

Our NSW delegation of climate tech startups include:

- [Accurassi](#)
- [Beam Solar](#)
- [CIM](#)
- [DNA Energy](#)
- [Everty](#)
- [Kelpy](#)
- [NetNada](#)
- [Xefco](#)

About Investment NSW:

***Investment NSW** is the economic development agency for the New South Wales Government and delivers on the Government priorities to build a strong economy, attract local and international investment and help NSW businesses find new export markets.*

About Climate Salad:

***Climate Salad** is an active network that works with climate tech companies in Australia to help them build a team, get customers, and connect with investors through community support, tools, and programs.*
