OFFICIAL

Dear all,

NSW is hosting the [Asia Pacific World Hydrogen Summit and Exhibition](#) in Sydney on 26-27 October 2023. This event will serve as a platform for global hydrogen leaders to connect with the region's policy makers and major energy stakeholders.

Additional Events & Activities – [Expression of Interest](#)

In addition to the APAC Hydrogen Summit, NSW Government is organizing a series of additional events and activities. Some of these events are limited and will require invites and pre-registration. To find out more and express your interest in attending any of these events, please follow [this link](#) and provide your details. Events include:

- ✓ Port Kembla/Illawarra Industrial site tour: Monday, 23 October, approximately 10am – 5pm
- ✓ Port of Newcastle/Hunter Industrial area site tour: Wednesday, 25 October, approximately 8am – 6pm
- ✓ NSW Government networking breakfast (ICC Sydney): Friday, 27 October, 7am – 8:30am

As space for each of these events is limited, a prompt response is appreciated. Please provide us with your details and which event(s) you're interested in. We will review responses and allocate spots in the coming weeks.

For any general enquiries about the side events or Summit program, please contact hydrogensummitenquiries@investment.nsw.gov.au.

Please feel free to let me know if you have any queries.
