SYD > SJC - Scaling Australian Innovation at GTC

Tuesday, March 17
5:00 PM - 7:30 PM PDT

Hapa's Brewing Company
San Jose, California

Thank You for Joining
We hope you enjoyed the event!

About Event

Join **Investment NSW**, **Southern Cross AI (SCX.ai)** and the **Australian American Chamber of Commerce (AACC)** for an exclusive networking event during NVIDIA GTC 2026.

As Sydney cements its reputation as a global leader in high-growth innovation and sovereign AI infrastructure, we are bringing a cohort of Sydney's leading companies to Silicon Valley.

What to expect;

- **Sovereign Infrastructure Insights** - Learn about SCX.ai's latest landmark investment in Australia - building the foundation for sustainable, next generation compute and sovereign technical capability.
- **Fast growing Sydney AI** - connect with the founders and leaders from Sydney who are at GTC as they scale their technologies into the US market.
- **The Special Relationship** - Celebrate the enduring relationship between Australia and the US, as we collaborate on the future of AI.

Whether you are in an investor, you are looking to partner with leading Australian startups, or you are looking to explore the strategic advantages Sydney's innovation ecosystem has to offer, join us for some great networking and conversation.

Some of the companies from Sydney attending include **Unleash Live**, **Puralink**, **Syenta**, **EditontheSpot**, **Enaxiom**, **Rhombus AI**, **Roboserver**, **Aria Research**, **Relate**, **Pitcrew AI**, **Ternary Net**, **Verity AI**, **Trusst** and more.

About Event

Join **Investment NSW**, the **Australian American Chamber of Commerce (AACC)** and **BioNSW** for an exclusive networking event during BIO2026 San Diego.

As Sydney strengthens its position as a premier global hub for biotech innovation, clinical trials, medical devices and regenerative medicine, we are showcasing why New South Wales is the strategic gateway to the Asia-Pacific for the life sciences sector.

What to expect;

- **World Class Clinical Hubs** - Discover why Sydney's interconnected innovation precincts and streamlined regulatory environment make it a top-tier destination for rapid, high-quality clinical trials.
- **Cutting-Edge research & innovation** - connect with the founders and leaders from Sydney who are behind NSW's leading institutions and innovative companies driving breakthroughs in digital health and therapeutics.
