It's technically a tie.

There are 14 municipalities  
in Jamaica. 12 parishes plus  
Kingston and St Andrew; and  
Portmore.

The JLP won municipalities  
in 7 parishes.

The PNP won 5 parishes,  
KGN & St. Andrew and  
Portmore.

The PNP won KGN & St  
Andrew (KSAMC) by virtue of  
having more direct votes (I e.  
The popular vote).

The KSAMC divisions were  
split 50/50 but there will be  
a PNP Mayor and control  
because they won the  
popular vote.
