TAWRID

PIF Launches Tawrid

to provide supply-chain financing products in Saudi Arabia.

Tawrid aims to further **strengthen the Saudi economy** by providing supply-chain financing products through an **innovative digital platform**.

Tawrid will play a significant role in **connecting buyers, suppliers and funders** through its digital platform.

It will offer products such as **early settlement options** against approved invoices.

A robust financial services industry is a **strategic enabler** of PIF's six ecosystems, recently announced in its 2026-2030 strategy
