<sup>2</sup> The term "foreign principal" includes, in addition to those defined in Section 1(b) of the Act, an individual organization any of whose activities are directly or indirectly supervised, directed, controlled, financed, or subsidized in whole or in major part by a foreign government, foreign political party, foreign organization or foreign individual. (See Rule 100(a) (9)). A registrant who represents more than one foreign principal is required to list in the statements he files under the Act only those principals for whom he is not entitled to claim exemption under Section 3 of the Act. (See Rule 208.)

<sup>3</sup> The Exhibit A, which is filed on Form NSD-3, sets forth the information required to be disclosed concerning each foreign principal.

<sup>4</sup> The Exhibit B, which is filed on Form NSD-4, sets forth the information concerning the agreement or understanding between the registrant and the foreign principal.

**III - ACTIVITIES**

11. During this 6 month reporting period, has the registrant engaged in any activities for or rendered any services to any foreign principal named in Items 7, 8, or 9 of this statement? Yes  No

If yes, identify each foreign principal and describe in full detail all activities and services:

Foreign Principal	Activities/Services
Southern Transitional Council	Registrant has been engaged by the Foreign Principal to provide consulting services in government relations, public affairs, and communications in the United States on behalf of STC's aims to obtain equitable representation and to promote the rights and well being of the people of South Yemen. Services included outreach to the US Government, the US media, think tanks, and events aimed at the US public.

12. During this 6 month reporting period, has the registrant, on behalf of any foreign principal, engaged in political activity<sup>5</sup> as defined below? Yes  No

If yes, identify each foreign principal and describe in full detail all such political activity, indicating, among other things, the relations, interests and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored or delivered speeches, lectures, social media, internet postings, or media broadcasts, give details as to dates, places of delivery, names of speakers and subject matter. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.
