**Re: CONGRATULATORY MESSAGE FROM  
FERHAT MEHENNI TO DONALD TRUMP ON HIS REELECTION  
AS PRESIDENT OF THE UNITED STATES OF AMERICA**

Dear Mr. Trump:

Congratulations!

What you have just achieved is historic. Since the independence of the United States in 1776, this is only the second time that a defeated U.S. president has managed to reclaim the White House four years later. It is monumental!

On behalf of the Kabyle people, the Movement for the Self-Determination of Kabylia, and in my personal name, I send my sincere greetings after such a resounding victory.

I am ready to work together to ensure that the Kabyle people finally exercise their right to self-determination, in line with their deep aspirations and the right of peoples to determine their own fate, as well as to ensure the liberation of the hundreds of Kabyle political prisoners arbitrarily detained for "terrorism" by the Algerian colonial regime, although it is the one funding international terrorism through Hamas, Hezbollah, and the Polisario.

Yours sincerely,

Ferhat Mehenni  
President of the Kabyle Government in Exile (Anavad)  
President of the Movement for the Self-Determination of Kabylie (MAK)  
In Exile (Paris)
