Hey Amy,

I hope this message finds you well. My name is Andrew Nehring, with the Vogel Group, and I'm writing to request a meeting between our client, the Libyan House of Representatives, and Congresswoman Jacobs. We are seeking to schedule this meeting during their next fly in on March 4th to 8th.

During their visit, outside of the House Foreign Affairs Committee, we plan to have meetings with the State Department, White House, Senate Foreign Relations, and think tanks to discuss peace and stability in Libya. For Congresswoman Jacobs, they'd like to brief her on the current dynamics in Libya. We believe this discussion will be mutually beneficial, offering insights into Libya and the region's future direction and potential legislative impacts and solutions.

We are flexible regarding the time and will accommodate your schedule to the best of our ability.

Thank you for considering our request. We look forward to the opportunity of engaging in a meaningful dialogue with the Congresswoman. Please let us know your availability, and we will make the necessary arrangements.

Best,

Andrew Nehring
