Appendix Response to Item 5

Item 5: Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains.

I initially believed that anyone conducting business in another country was required to register under FARA, without fully understanding the political aspect of the registration. However, upon further review, I now realize that the work conducted with Busega Agriculture Company Limited (BACL) was not political in nature and did not require registration. Therefore, I should not have filed in the first place.

Furthermore, I confirm that the relationship with Busega Agriculture Company Limited (BACL) was officially terminated on December 17, 2023.
