Appendix
Response to Item 11

Item 11: Explain fully all items answered "Yes" in Item 10(b).

Item 10(b) Supervised: While ALLATRA International Public Movement was formally registered in Ukraine in 2014, and deemed an "Association" dedicated to addressing the geo-physical impact of climate change upon the planet Earth, with an extensive educated membership initially based in the Ukraine, Russia and the greater Balkan arena (now extended internationally), in 2023 the Russian Government (through the Moscow Patriarchate) officially designated this foreign principal, ALLATRA International Public Movement, as a Religious Cult, which consequently caused the ALLATRA International Public Movement to fall under the governance of a body of Russian law subject to enforcement and oversight administered by the Federal Security Service of the Russian Federation and the Moscow Patriarchate. In turn, the Ukraine Government (through an extension of the Moscow Patriarchate in Kyiv), subsequently enacted the "Religious Cult" designation later in 2023, as well (with subsequent governance and regulatory authority accorded through the Security Service of Ukraine).

Registrant seeks to identify elected officials who actively monitor U.S.-Russian foreign policy matters - with an eye centered on forging political alliances. In concert and harmony with this same mission, registrant will likewise seek involvement with established entities engaged in both humanitarian and public policy related related work targeted upon "Religious Cult" victimization. In total, registrant would anticipate undertaking a diverse campaign in behalf of his foreign principal (both on and off Capitol Hill). Accordingly, registrant will be activating his U.S. Federal Lobbyist registration, simultaneous with his U.S. Department of Justice FARA application.
