Hi,

Sorry to nudge on this, but we would like to review options this week, so please can you share something today?

For context, my client is the think tank the Future Investment Institute (FII), which has its flagship conference for global leaders (FII8) taking place in the autumn.

Please let me know if you have any questions.

Many thanks,

Hi there,

A client of mine, who is hosting a major financial services-focused conference later this year for global leaders, is interested in a paid digital advertising campaign with the [REDACTED].

Please could you share an overview and details of potential options/packages, including costs, examples of content, i.e. adds, advertorial newsletters etc., relevant data, i.e. reach, impressions etc., and anything else you deem relevant at this stage?

Many thanks,

[REDACTED]
