The 3rd installment of #FIIPRIORITY Miami, the first to feature a keynote from a sitting U.S. President, reaffirmed the role of the #FillInstitute as a leading force in convening global leaders, investors, and innovators to drive solutions that unlock significant economic value and drive global progress. Richard Attias, Chair of FII's Executive Committee, remarked "Discussions ... exemplified what FII Institute stands for—transforming ideas into action." Looking forward to what's ahead under the leadership of newly appointed CEO Penny Richards
