Subject: Podcast Guest: Chairman of Future Investment Initiative (FII)

Hi there – Hope you are doing well! Wanted to offer a potential guest for [REDACTED] [REDACTED] podcast. FII Institute Chairman, [Richard Attias](#), **would be a great guest on the podcast to discuss a host of topics relevant to global leaders and entrepreneurs at the moment.**

For more background, FII Institute is a Saudi based global nonprofit organization committed to driving ESG principles globally through investment in healthcare, education, AI & robotics and sustainability. FII Institute is known for its annual [PRIORITY Summit in Riyadh](#), which draws high-profile investors, policymakers, inventors and other leaders to discuss the most pressing global challenges facing humanity.

One topic that is of particular interest to Richard at the moment is the **power of convening entrepreneurs and innovators** to tackle big global challenges that result in a positive impact on humanity. Richard believes that in order to turn ideas into action, the right people need to be in the room, and he has a proven record of doing just that - FII Institute summits and conferences have cumulatively announced deals and investment pledges worth approximately \$130 billion to solve the top issues of today through innovation across technology, healthcare, education and sustainability.

Happy to work with you on the specific topic if this angle isn't of interest as well.

Are you planning your upcoming episodes? Would love to connect you with Richard if you are looking for guests. It would be a really interesting conversation with a global lens.

Let me know what you think!

Thanks,
