Thanks [REDACTED]! A few notes below and I will run down the other points and circle back.

Please see [here](#) for Richard's bio page and his headshot is attached.

Additionally, the report I referenced can be found [here](#) and some basic information about the upcoming event in [REDACTED] can be found [here](#).

Thanks,

Subject: Call Sheet for. Richard Attias interview for [REDACTED] podcast

Hi [REDACTED],

Great to connect with you a moment ago.

As discussed, it would be really useful to get the details of Richard's assistant ahead of Friday's interview so that we can test out the connection and how he sounds. This will reduce the chance of technical difficulties on Friday.

Please also send through the other bio & FII event information and research that you mentioned.

The key things we need to know at your earliest convenience:

1. Richard's location and time zone
2. Link to bio details
3. Link to preferred head shot image
4. The name of the person who will physically be with Richard for the interview along with their email and phone number.
5. A time to test the recording using [REDACTED] - ideally by Wednesday. Once we've done this, I'll create a new [REDACTED] link for us all to share on Friday.
6. We'd like to do a back up recording if possible, on an iphone. This is done using the VoiceMemo [app.so](#) please can you confirm this will be possible with Richard's EA?

I'm attaching our call sheet for you to add all the necessary information [here](#). Once you've added the information, I'll update the document and send you a new version with more on the arc of the interview, once I've spoken to [REDACTED] on Wednesday.

Thank you and kind regards,

[REDACTED]

PS please excuse the double email addresses. The new one, with [REDACTED] company address is now the main one but I don't want to miss anything! Thanks.
