Hi [REDACTED], I just received an update that the announcement will not be ready to run by tomorrow, and we're now aiming for May 8. Wanted to share as soon as I heard and will hopefully have more concrete details by tomorrow morning that will help us determine an embargo lift time pre-public announcement.

Re. your other questions, I will ask and wrap anything I hear into my update tomorrow.

Appreciate the flexibility here.

Hi [REDACTED],

Just checking in on any updates to release dates for this?

Also, one question – how did they raise the purses to events that already happened?

Hi guys, me again!

I wanted to reach out offering some news under embargo, to ask if you would take a look and consider covering.

It involves PIF's [REDACTED]
[REDACTED]

The embargo lift date is still TBD, but is likely early morning on May 7.

If you're willing to accept an embargo with no definitive lift date (I'll confirm it asap), I'm happy to share more details and potentially set up a call with a spokesperson. A formal press release would also be available for your review soon.

Let me know what you think, cheers,

[REDACTED]
Senior Vice President
