Hi [REDACTED] happy to clarify this on-background:

The PIF Global Series is replacing last year's Aramco Series in the LET schedule, with changes to the tournaments' formats, prize purses and branding.

Last year's Shenzhen, London, South Korea and US event prize purses were each \$1m last year, doubled to \$2m this year. Sources below:

The Saudi Ladies International event was \$5m last year.

Hope that helps!

Hi [REDACTED] — [REDACTED] here from [REDACTED]. I'm working on a story around the PIF Global

Series news you sent to my colleague [REDACTED].

I wanted to confirm something with you: This is effectively replacing the former Aramco Series, right? I know the new total prize money is \$13 million. Could you tell me what the prize money for the same events in 2024 was?

Thanks so much! My cell is listed below if you need to chat.
