Thanks [REDACTED]! It was great to work with you and no issues accessing the file and appreciate you sharing.

Wondering if you are looking for any other guest for the podcast? I work with **Richard Attias, Chairman of the [Future Investment Institute \(FII\)](#)** who would be great for the podcast given Chris mentioned he is interested in how economics and policy impact the societal aspects of life. Richard has led the charge in convening global leaders for over 8 years at FII and can speak to what it means to be a 'leader of leaders' gathering global CEOs, business executives and policymakers to discuss the most pressing advancements around technology, education, healthcare and sustainability. **Unlike many of his peers, Richard is someone who has occupied positions at the top of the corporate world and now as a global leader in the third sector, which he feels has given him a set of unique perspectives, including his steadfast belief in the need for the public sector to work in partnership with the private sector,** which is often better placed to drive change and innovation.

He has an interesting background, having been involved in the development and production of more than 2000 events over the past 30 years, including World Economic Forum Annual Meeting at Davos, Clinton Global Initiative, Nobel Laureates Conferences, The New York Forum, The New York Forum AFRIC, UNESCO NGO Forum, One Planet Summit, Olympism In Action, Future Investment Initiative, Bloomberg New Economy Forum, The African Cup, The African Games, and multiple opening ceremonies.

Away from his work, Richard has a fascinating personal story. He was born into a Jewish family in Fez, Morocco and went on to graduate as a civil engineer, also gaining a Masters in Maths and Physics from Paris University. His career, which has taken him to France, Japan, Switzerland, Dubai and New York, initially began at IBM, where he quickly rose up the ranks before going on to found several organizations, something he feels was only possible due to his willingness to take risks.

Would Richard be of interest as a potential subject for a future episode? Think he brings a really unique perspective and background.

Looking forward to hearing from you.

Thanks,

Hi [REDACTED],

Good news - [REDACTED] can move some things around on the 31st which means he can do 11am-1pm ET. Are we able to lock that in?

If so, let me know and I'll send an updated invite.

Thank you,

Thanks [REDACTED]. Unfortunately, later in the day does not work as he is traveling so time zones are tricky. August is also tough but let me get some other availability and circle back with you. I am going to delete the invitations in the meantime.

Thanks for understanding.

Hi [REDACTED],

No worries and thanks for letting us know.

For the **Thursday 7/31 – 11am-1pm ET** option, is there any chance he could do a little later in the day - near 3pm?

Alternatively, we could also do:

- **Monday 8/18 – 3-4.30pm ET**

Thank you,

[REDACTED]

Hi [REDACTED] and team – I am so sorry to do this, but [REDACTED] now has a conflict on Wednesday and will have to reschedule the recording and prep.

He is eager to get this on the books though. Can you do any of the following windows for the recording? We can then get the prep on the books once we have the recording scheduled.

- Tuesday 7/29 – 10am-12pm ET
- Thursday 7/31 – 11am-1pm ET

Thank you for understanding.

Hi [REDACTED],

Confirming [REDACTED] can just join the link in the invite description and listen in. I'm going to double check the mechanism and confirm this with you, but should be fine.

Also, I just wanted to triple check that [REDACTED] will be on the prep call on Wednesday? We're just sorting [REDACTED]' schedule for this week so want to confirm with him.

Thank you,

I'll send an invite for the prep call shortly; [REDACTED] and [REDACTED] will be on that call as well. As far as talking points, that all sounds great. Looking forward to receiving any materials!

Hi [REDACTED],

Pleasure to meet you! I've now sent the invite for [REDACTED] recording with [REDACTED] and included the instructions in the description. Any questions, please let me know.

Happy for you to send us an invite for the pre-call in whatever format works best for you. As for the talking points, we will prepare a conversation guide (based on the topics below) and send over for your approval before the 23rd - does that work for you?

[REDACTED] is excited to have [REDACTED] on again!

Thank you,
