Hi [REDACTED] – thanks so much for getting in touch! Nice to hear from you.

Yes that's right, I work with Mr. Richard Attias, Chairman of the global thinktank [Future Investment Initiative Institute](#) (FII Institute). As well as his role at FII, he is the founder and former CEO of Publicis Events Worldwide and former Executive Producer of Davos WEF for over a decade. He's an advisor to Heads of State, business executives and civic leaders looking to build influence and effect change.

Richard is focused on driving change by convening business leaders and Heads of State to bridge global gaps, creating a knowledge-based economy and ensuring economic diversification. FII has cumulatively announced deals and investment pledges worth ~\$128bn over the years, spanning technology, energy, infrastructure and finance.

I'm pasting his full biography below and I would welcome the opportunity to explore his involvement. Please let me know if it might be worthwhile to speak live, too.

Warmly,

[REDACTED]

Richard is a trusted advisor to Heads of State, business executives and civic leaders looking to build influence and effect change

Richard Attias is the Chairman of the FII Institute Executive Committee, Member of the Board of Trustees, and Acting CEO of FII Institute.

He is also the Founder and Chairman of Richard Attias & Associates, a leading global communication strategy firm, and previously served as Executive Producer of the World Economic Forum (1996–2008).

Over the course of his career, Attias has built an unparalleled reputation for activating powerful networks, inspiring innovation, fostering public-private partnerships, and driving foreign direct investment in emerging markets.

Attias began his professional journey at IBM, where his passion for innovation led him to establish several companies in the global IT and computing services sectors, before spending a decade at the media conglomerate Publicis Groupe, where he served as Executive Chairman of Publicis Events Worldwide. He also served as CEO of the UAE government entity Dubai Event Management Company.

Attias completed his studies in civil engineering and earned a master's degree in mathematics and physics.
