[REDACTED] – nice to catch up!

As mentioned, FII Institute is pleased to invite [REDACTED] and [REDACTED] to serve as a media contributor at FII9. Below my signature, I am including an overview of media contributor benefits, which includes an opportunity to moderate. The [event](#) is taking place in Riyadh from 27-30 October, and speakers include [REDACTED] among others. More can be found [here](#).

If [REDACTED] would prefer to forgo being a media contributor this year, [REDACTED] can still register to attend, and the form to request a pass as an individual journalist is located [here](#). The access code is [REDACTED]

Should [REDACTED] decide to pursue the media contributor path, please let me know as I would recommend a call with someone from the comms department at FII to run through all of the benefits with you. We're of course happy to set that up.

Look forward to being in touch.

Best,

[REDACTED]
