Yes! Aiming to have them back to you next week. Do you source the other photos yourself or can we make some suggestions? There are great ones from the most recent conference that would be nice to include.

Thanks [REDACTED] – will take a look! Richard is working on the responses but may need a bit more time as FII is heading into a busy week in Tokyo at their PRIORITY Asia summit. Is there flexibility in the deadline past Dec 1? Let me know and appreciate the understanding.

[REDACTED],

I've attached the Editors' Note and Firm Brief we have used previously for Richard Attias. Would you make any changes/additions that might be necessary and return them to me to expedite our process when we receive the answers to the questions?

As always, we appreciate your kind help.
