FII PRIORITY Miami Returns for Fourth Edition to Redefine Global Capital Flows

New York, January 6, 2026 – The FII Institute today announced the return of the FII PRIORITY Miami Summit, taking place March 25–27, 2026, as global leaders converge to confront one defining question: how capital must move, adapt, and lead in a rapidly fragmenting world.

Under the theme “**Capital in Motion**”, FII PRIORITY Miami 2026 will bring together policymakers, investors, innovators, and decision-makers to examine how capital, technology, and policy can unlock sustainable and inclusive growth, with the Americas at the center of global transformation.

Now in its 4th edition, the Summit reaffirms Miami’s unique role as a strategic bridge between North and South America and a gateway to global markets. Building on momentum from the recent FII PRIORITY Asia Summit in Tokyo, Miami will deliver a decisive, cross-regional perspective on investment flows, economic resilience, and opportunity creation.

“Miami is not just a location, it is a signal,” said Richard Attias, Chairman of the Executive Committee

and Acting CEO of FII Institute. “At a moment when capital is being reallocated, re-priced, and re-imagined, FII PRIORITY Miami will move beyond dialogue to action, shaping partnerships, strategies, and decisions that matter.”

Summit highlights will include:

- High-level dialogues with world leaders, global policymakers, investors, and CEOs on capital deployment, emerging technologies, and Americas-focused growth.
- Closed-door strategic roundtables designed to influence real investment priorities and outcomes.
- Exclusive thought leadership and flagship intelligence, co-created with global partners and released at the Summit.

FII PRIORITY Miami 2026 will also mark the opening chapter of a pivotal year for the Institute, leading toward the 10th edition of the flagship Future Investment Initiative (FII 10) in Riyadh end of October 2026, underscoring FII Institute’s position as the world’s premier platform where investment, innovation, and policy converge to shape the future.

Further program details and speaker announcements will follow.

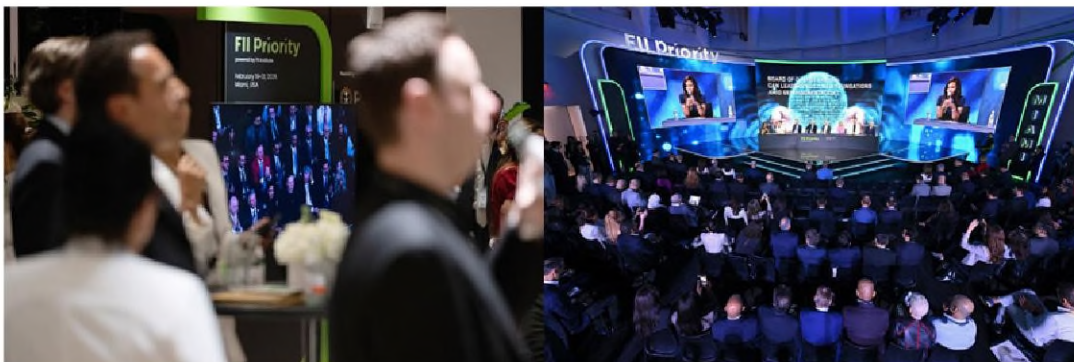

Registrations are now open for FII Institute members, partners, media, and invited delegates. Visit the [FII PRIORITY Miami 2026 page](#) to learn more and register.
