

3:16

Friday

Hi [REDACTED] - is there a press release with updated information for you to share with [REDACTED]? Believe you have the reporter's email address but let me know if you'd like for me to send it to you.

9:19 AM ✓✓

I can forward you our press release. I also shared it with [REDACTED]

9:28 AM

But again, what I wanted to check with you is....did Danantara confirm that they got the numbers associated to the list of MOUs from us? If so, I need to clear it up with the person who cited us because we certainly did not.

9:30 AM

When I talked to [REDACTED] from [REDACTED] where he got the list from, he said it came from [REDACTED]

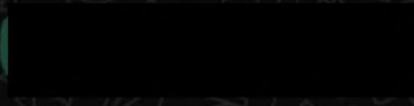

9:31 AM

Hi [REDACTED] - Apologies for the delay as I've been in meetings. Yes, please send me the release for our reference when you can. We were told to send the list - if you have any other questions, [REDACTED] is probably the best to answer

Subject: Re: Danantara CIO - This Tuesday 2/24?

Hi [REDACTED],

Thank you again for checking on the below. Pandu's travel has actually changed and does not look like he'll be in NY by tomorrow afternoon. I will come back to you as soon as I know when he will be in NYC.

Best,

[REDACTED]

Hope you're doing well and staying warm in this snowstorm. We work with the **Indonesian sovereign wealth fund Danantara. Pandu Sjahrir, CIO**, will be in NYC Tuesday afternoon and is available between 3:00–4:00 PM ET for a live segment with Romaine.

You may have seen the news last week around Indonesia's global investment strategy and deepening U.S. commercial ties following major agreements between Indonesia and U.S. companies. Pandu can discuss:

- What Indonesia's capital deployment means for U.S. markets and investors
- The global race for critical minerals and supply chain security
- How emerging market sovereign capital is reshaping global deal flow
- Where Danantara is looking to invest next

Do you have an opening for Pandu in the 3-4 pm ET hour on Tuesday, Feb. 24? I know this is short notice but given the recent U.S.–Indonesia momentum and Danantara's capital plans, I thought a segment with him would be particularly timely.

Best,

[REDACTED]
Senior Vice President
