Subject: Opportunity to moderate FII Miami?

Hi [REDACTED],

Hope all is well. As you may know, we work with FII, and they're hosting their Priority Summit in Miami from March 25-27, 2026.

They have asked me to reach out to offer you an opportunity to moderate a panel. Is this something that would work with your schedule and be of interest?

If so, we'd be happy to set up a call to discuss opportunities within the agenda and coordinate next steps.

Best,

Dear Member of the Media,

We would like to invite you to attend our upcoming 4th edition of FII PRIORITY Summit, under the theme, "Capital in Motion," taking place in Miami from **March 25 to 27, 2026**.

Capital is no longer static. It is in motion.

Across borders, sectors, and technologies, capital is being redeployed at unprecedented speed, reshaping markets, redrawing supply chains, and redefining where growth will emerge next.

The 4th edition of FII PRIORITY Miami 2026 Summit will explore this transformation under the theme "Capital in Motion" a world unsettled yet accelerating forward, where resources, talent, and ideas are constantly in transit.

As slower growth, higher-for-longer rates, and geopolitical fragmentation redraw the global map, capital is concentrating around a few decisive priorities: energy transition, digital infrastructure, artificial intelligence, and regional resilience, even as institutions confront widening social divides and mounting fiscal pressure.

Over three days, FII PRIORITY Miami 2026 will examine how capital is being redefined and redeployed and what it will take to stay ahead in a rapidly realigning global economy.
