Subject: Danantara CIO in HK - Broadcast Interview?

Hi [REDACTED],

I hope all is well. I am reaching out on behalf of Danantara, the Indonesian sovereign wealth fund. **Pandu Sjahrir, CIO of Danantara**, will be in Hong Kong April 14-16th and I wanted to see if you would be interested in having him on Bloomberg TV?

Pandu can discuss:

- Global shifts in capital flows due to geopolitical tensions and how Indonesia is well-positioned to benefit from this reshaping investment landscape
- The global race for critical minerals, including nickel for batteries, and how this will fuel the energy transition
- Trends across AI infrastructure and the opportunities for countries that can provide clean, reliable energy
- Where Danantara is looking to invest next

Pandu will be in Hong Kong April 14-16th, would you be open to having him on the show anytime during those days? Given all that is going on around the global economy and in Indonesia, I thought a segment with him would be particularly timely.

Let me know what you think.

Best,

[REDACTED]
