Thank you for the call just now. [redacted] it's a pleasure to meet you. We work with QIA, the sovereign wealth fund of the State of Qatar and as they consider potential speaking engagements, particularly in the real estate sector, we would welcome the opportunity for a call to discuss upcoming programming with [redacted]

A bit on QIA

- In 2025 QIA committed to invest over $500Bn in the US over the next decade
- QIA's global real estate portfolio includes several iconic properties and major developments, including Canary Wharf and Harrods in London; Manhattan West and exposure to the Empire State Building in New York; Porta Nova in Milan; and Asia Square and the Central Private Real Estate Fund in Singapore.
- QIA has, of course, already made substantial investments in US real estate, including nearly $4Bn in Manhattan property acquisitions alone, in addition to significant investments and partnerships with major real estate managers and developers.
- QIA also has broader investment connections In Miami. In 2025, QIA participated in the MARI/Miami Open equity raise in 2025. In 2024 QIA also participated in the I Squared raise for Transportation and Equipment Network (TEN).

Please let us know if you some availability this week for a call and we'd be happy to circulate a calendar invite.
