Hi [REDACTED],

It was nice speaking with you yesterday, and thank you for the continued conversation today.

Just following up to say we're looking forward to the interview with Kim on Friday at 11:30am ET following the roundtable, and confirming receipt on your note that there are, of course, no guarantees around resulting coverage.

As a reminder on the conversation, Kim will be prepared to discuss how women's tennis has evolved since her playing career, drawing on her own experience returning to competition after becoming a mother and ultimately winning the US Open. She can also speak to the **importance of providing** meaningful support for female athletes as they navigate starting a family and returning to competition, including the role of the PIF WTA Maternity Fund in supporting players through that journey.

Looking forward to seeing you Friday, and please let us know if there's anything else that would be helpful in advance.

Best,

[REDACTED]

Hi –

Thanks for this – I think we're trying to get a grasp on where PIF is putting its focus in the broader sports landscape. Obviously, with the decision to pull funding from LIV, there are a number of questions over where PIF is moving to next. I think Mohamed AlSayyad,

Faisal Alsabah or Danny Townsend could be in a position to discuss?

Many thanks,

Hi [REDACTED],

Thanks for following up. We're happy to look into this. Could you share a bit more about what you have in mind for the one-on-one...specifically, who you'd be interested in speaking with and the topic or angle you'd be looking to cover?

That will help us explore what may be possible on our end.

Best,

Thank you, [REDACTED]. Looking forward to it.

I had previously inquired about a possible one-on-one interview after the roundtable and was told I would get a reply on that later... do you have any update on whether it will be possible to schedule a separate, on-the-record interview?

Thanks,

Hi [REDACTED] -

The roundtable will be held on background so unfortunately a camera / recording won't be permitted.

On the one-on-one interviews, let us check with the PIF team and circle back here!

Best,

Great, thank you! My editor is also very keen on any possible one-on-one interviews and on-camera opportunities (could we bring a camera to the roundtable?).

All best,

Hi [REDACTED] – Hope you're well.

I wanted to gauge your interest in joining a small, PIF hosted roundtable event in NYC the morning of September 4th, beginning around 8am ET. Further details to follow, but they would be discussing PIF's long term commitment to sport through its regional investments, sponsorships and ecosystem.

Please let me know if this is something you'd be interested in and able to attend.

Best,

[REDACTED]
