Subject: In-Person Meeting with Danantara Indonesia CIO? Sept 22-23, NYC

Hi [REDACTED],

Hope all is well! I wanted to see if you would be interested in setting up a meeting with **Pandu Sjahrir, Chief Investment Officer of Danantara Indonesia**, while he is in New York later this month around UNGA.

With Danantara continuing to build out its global investment portfolio, Pandu can discuss the fund's investment priorities, how it is evaluating opportunities and where he sees Indonesia fitting into a shifting global investment landscape.

Topics Pandu can discuss include:

- **Danantara's investment strategy:** Where the fund is looking to deploy capital next and the rigorous process it uses to evaluate global investment opportunities
- **Indonesia's role in global capital flows:** How geopolitical and economic shifts are creating new opportunities for Indonesia and Southeast Asia
- **Strategic sectors:** Opportunities across critical minerals, energy, AI infrastructure and other industries central to Indonesia's long-term growth
- **Building global partnerships:** How Danantara is working with leading international investors and companies to bring capital, expertise and investment opportunities to Indonesia

Pandu will be on the ground in New York September 22-23rd and we'd love to use the opportunity to introduce you and provide some additional background on Danantara and its priorities.

Would you have time to connect while he's in town? Happy to coordinate calendars.

Best,

[REDACTED]
