

U.S. Department of Justice
Washington, DC 20530

**Exhibit B to Registration Statement
Pursuant to the Foreign Agents Registration Act of
1938, as amended**

INSTRUCTIONS. A registrant must furnish as an Exhibit B copies of each written agreement and the terms and conditions of each oral agreement with his foreign principal, including all modifications of such agreements, or, where no contract exists, a full statement of all the circumstances by reason of which the registrant is acting as an agent of a foreign principal. Compliance is accomplished by filing an electronic Exhibit B form at <https://www.fara.gov>.

Privacy Act Statement. The filing of this document is required for the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 *et seq.*, for the purposes of registration under the Act and public disclosure. Provision of the information requested is mandatory, and failure to provide the information is subject to the penalty and enforcement provisions established in Section 8 of the Act. Every registration statement, short form registration statement, supplemental statement, exhibit, amendment, copy of informational materials or other document or information filed with the Attorney General under this Act is a public record open to public examination, inspection and copying during the posted business hours of the FARA Unit in Washington, DC. Statements are also available online at the FARA Unit's webpage: <https://www.fara.gov>. One copy of every such document, other than informational materials, is automatically provided to the Secretary of State pursuant to Section 6(b) of the Act, and copies of any and all documents are routinely made available to other agencies, departments and Congress pursuant to Section 6(c) of the Act. The Attorney General also transmits a semi-annual report to Congress on the administration of the Act which lists the names of all agents registered under the Act and the foreign principals they represent. This report is available to the public in print and online at: <https://www.fara.gov>.

Public Reporting Burden. Public reporting burden for this collection of information is estimated to average .32 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Chief, FARA Unit, Counterintelligence and Export Control Section, National Security Division, U.S. Department of Justice, Washington, DC 20530; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

1. Name of Registrant John Lee	2. Registration Number 7436
-----------------------------------	--------------------------------

3. Name of Foreign Principal
Korea AeroSpace Administration

Check Appropriate Box:

- 4. The agreement between the registrant and the above-named foreign principal is a formal written contract. If this box is checked, attach a copy of the contract to this exhibit.
- 5. There is no formal written contract between the registrant and the foreign principal. The agreement with the above-named foreign principal has resulted from an exchange of correspondence. If this box is checked, attach a copy of all pertinent correspondence, including a copy of any initial proposal which has been adopted by reference in such correspondence.
- 6. The agreement or understanding between the registrant and the foreign principal is the result of neither a formal written contract nor an exchange of correspondence between the parties. If this box is checked, give a complete description below of the terms and conditions of the oral agreement or understanding, its duration, the fees and expenses, if any, to be received.
- 7. What is the date of the contract or agreement with the foreign principal? 05/27/2024
- 8. Describe fully the nature and method of performance of the above indicated agreement or understanding.
See Appendix for Response

9. Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.

On behalf of Korea Aerospace Administration (KASA), a civilian aerospace government administration, I will be representing the administration at various conferences and forums that are held domestically as well as those held overseas, participating in various bilateral discussions with various government agencies, including those in the US such as NASA and NOAA, and interacting with various aerospace companies, universities, and institutes, including those in the US.

10. Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act¹.

Yes No

If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.

See Appendix for Response

11. Prior to the date of registration² for this foreign principal has the registrant engaged in any registrable activities, such as political activities, for this foreign principal?

Yes No

If yes, describe in full detail all such activities. The response should include, among other things, the relations, interests, and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored, or delivered speeches, lectures, social media, internet postings, or media broadcasts, give details as to dates, places of delivery, names of speakers, and subject matter. The response must also include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.

Set forth below a general description of the registrant's activities, including political activities.

Spoke at several international conferences in South Korea, coordinated and met with NASA and NOAA officials at COSPAR 2024 conference in Busan, South Korea, met and communicated with Space X regional representative.

Set forth below in the required detail the registrant's political activities.

Date	Contact	Method	Purpose
See Appendix for Response			

12. During the period beginning 60 days prior to the obligation to register³ for this foreign principal, has the registrant received from the foreign principal, or from any other source, for or in the interests of the foreign principal, any contributions, income, money, or thing of value either as compensation, or for disbursement, or otherwise?

Yes No

If yes, set forth below in the required detail an account of such monies or things of value.

Date Received	From Whom	Purpose	Amount/Thing of Value
06/27/2024- 06/27/2024	Korea Aerospace Administration	salary	\$ 19,353.37
07/25/2024- 07/25/2024	Korea Aerospace Administration	salary	\$ 16,778.38
			\$ 36,131.75
			Total

13. During the period beginning 60 days prior to the obligation to register⁴ for this foreign principal, has the registrant disbursed or expended monies, or disposed of anything of value other than money, in connection with activity on behalf of the foreign principal or transmitted monies to any such foreign principal?

Yes No

If yes, set forth below in the required detail an account of such monies or things of value.

Date	Recipient	Purpose	Amount/Thing of Value
------	-----------	---------	-----------------------

1 "Political activity," as defined in Section 1(o) of the Act, means any activity which the person engaging in believes will, or that the person intends to, in any way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting, or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.

2,3,4 Pursuant to Section 2(a) of the Act, an agent must register within ten days of becoming an agent, and before acting as such.

EXECUTION

In accordance with 28 U.S.C. § 1746, and subject to the penalties of 18 U.S.C. § 1001 and 22 U.S.C. § 618, the undersigned swears or affirms under penalty of perjury that he/she has read the information set forth in this statement filed pursuant to the Foreign Agents Registration Act of 1938, as amended, 22 U.S.C. § 611 *et seq.*, that he/she is familiar with the contents thereof, and that such contents are in their entirety true and accurate to the best of his/her knowledge and belief.

Appendix Response to Item 8

Item 8: Describe fully the nature and method of performance of the above indicated agreement or understanding.

Establish and promote plans for space transportation system development including space launch vehicles; Plan, promote and support industry, academia, research and international joint programs in the field of space transportation; Prepare approval standards for space launch vehicles and support evaluation; Establish and promote space launch vehicle development projects and improvement plans; Establish and operate test facilities for space launch vehicle development and verification; Manage business units in the space transportation field and operate related committees and evaluation groups; Establish and implement mission assurance strategies in the space transportation field; Establish and operate certification system related to technical supervision and performance and quality inspection in the space transportation field; Plan, promote and manage projects for the development of reusable launch vehicles; Develop core technologies for reusable launch vehicle prototypes; Establish and promote satellite development plan; Plan, promote and support industry-academia and international joint programs in the field of satellites; Manage business groups in the satellite field and operation of related committees and evaluation groups; Establish and implement mission assurance strategies in the satellite field; Establish and operate a certification system related to technical supervision and performance and quality inspection in the satellite field; Establish, implement and supervise plans for the development and operation of the Korea Positioning System (KPS); Establish and implement service certification system related to the Korea Positioning System (KPS); Plan, promote and manage R&D projects in the field of space science & exploration; Manage matters related to observation and utilization of space objects and space environment; Establish space exploration promotion plans such as lunar exploration and development and support for core technologies; Plan, promote and support industry, academia, research, and international joint projects in the field of space science and exploration; Manage business units in the field of space science and exploration and operation of related committees and evaluation groups; Establish and implement mission assurance strategies in the field of space exploration; Establish and operate certification system related to technical supervision and performance/quality inspection in the field of space exploration; Plan, promote, and manage program for lunar lander development; Manage matters related to lunar lander body, payload and ground system development; Plan, promote, and manage projects to develop future manned and unmanned aircraft, eco-friendly aircraft, innovative aviation services, and major parts and material technologies for aircraft; Plan, promote and support joint industry-academia-research and international programs in the field of aviation innovation; Manage business units in the field of aviation innovation and operating related committees and evaluation groups; Establish and implement mission assurance strategies in the field of aviation innovation; Establish and operate certification system related to technical supervision and performance and quality inspection in the field of aviation innovation; Plan, promote and manage projects for the development of foundational and original technologies and aircraft related to urban air transportation services; Establish, coordinate, and manage comprehensive mid- and long-term plans and annual plans for the promotion of R&D projects under the Mission Directorate; Manage budget execution and settlement of R&D projects under the Mission Directorate; Establish and promote systems related to R&D projects under the Mission Directorate; Plan, evaluate, and manage R&D projects under the Mission Directorate; Oversee research ethics of R&D projects under the Mission Directorate; Establish, coordinate, and manage research facilities and equipment for R&D projects.

Appendix Response to Item 10

Item 10: Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act. If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose. The response must include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials.

I will be engaging, directly or through bilateral meetings, various US government agencies, such as NASA and NOAA, to establish and to promote collaborative scientific and other non-ITAR restricted R&D projects. I may be involved in engaging, discussing, and promoting potential partnerships (non-ITAR restricted programs/projects) between non-governmental US entities (universities, research institutes, companies) and Korean entities. I may be engaging US aerospace companies on matters that involve acquisition of various products and assets.

Appendix Response to Item 11-List

Item 11-List: Prior to the date of registration for this foreign principal has the registrant engaged in any registrable activities, such as political activities, for this foreign principal? If yes, describe in full detail all such activities. The response should include, among other things, the relations, interests, and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored, or delivered speeches, lectures, social media, internet postings, or media broadcasts, give details as to dates, places of delivery, names of speakers, and subject matter. The response must also include, but not be limited to, activities involving lobbying, promotion, perception management, public relations, economic development, and preparation and dissemination of informational materials. Set forth below in the required detail the registrant's political activities.

Date	Contact	Method	Purpose
05/28/2024	International audience	In person	Speech on KASA at Seoul Economic Science Forum in Seoul, S. Korea
