Chernor Bah

to me, Joel, Salima

Hi Jeff,

Thanks for the conversation we just had and for your flexibility. I am copying our partner at Prudedge who will directly engage with you on the contract and logistics.

I will remain your point of contact for the content and manage the overall comms plan for this work. As discussed, please review the terms to include the overt opportunities on innovation and technology and the transformation we are seeing in the sector - with a special focus on our appetite and willingness to embrace and use innovation as a basis for our country's development. We want to make a big splash in that area and to have our president first and then our minister be seen as a champion of these in the media and at events.

I also mentioned our work with the compact and using that as an opportunity to frame the positive stories coming out of Sierra Leone.

I look forward to the revised brief and Joel's excellent team will facilitate the contract immediately.

Sincerely,

Chernor Bah,

Minister of Information and Civic Education

Government of Sierra Leone
